

	Click here for our entire geography knowledge pathway	Module 1	Module 2	Module 3	Module 4	Module 5	Module 6
	Nursery Reception	Please note: Early Years use the EYFS Framework and do not engage in subject specific study. They are building pre-requisite foundational skills that will allow them to be geographers in the future. Through 'Understanding the World' they are guided to make sense of their physical world and their community. See the Progression sheet for the key skills and knowledge.					
	Year One Click on a cell more detail	Geographical skills: drawing maps/plans of the school and describing location		Locational knowledge: continents and oceans, UK countries and the capital cities	Human and Physical Geography: UK weather		Human and Physical Geography: UK weather
	Year Two Click on a cell more detail	Geographical skills: describing location	Place knowledge: comparing contrasting locations	Locational knowledge: UK	Human and Physical: hot and cold areas	Place knowledge: comparing contrasting locations	Map work: drawing maps with keys
	Year Three Click on a cell more detail	Locational knowledge: Europe	Place knowledge: comparison in Europe	Locational knowledge: Europe	Geographical skills: the local area - sketch map (fieldwork)	Physical geography: volcanoes and earthquakes	Locational knowledge: key zones of the world (hemispheres)
	Year Four Click on a cell more detail	Use information and data to make conclusions for more searching geographical questions	Locational knowledge: key zones of the world (tropics)	Geographical skills: locational map skills	Geographical skills: drawing detailed plans of the local area - evolution of map skills	Human geography: distribution of natural resources	Physical geography: climate zones, biomes and vegetation belts and the water cycle
	Year Five Click on a cell more detail	Geographical skills: map and locational skills	Human geography: settlements	Locational knowledge: counties and cities of the UK	Human geography: trade links	Physical geography: rivers, mountains	Physical geography: rivers, mountains
	Year Six Click on a cell more detail	Geographical skills: graphs and digital technology	Locational knowledge: N and S America	Place knowledge: comparison to N/S American region	Locational knowledge: time zones		Place knowledge: comparison to N/S American region
